Attached is the cover letter and the report for the Interim Update Red Hill Bulk Fuel Storage Facility - final ground water protection plan. Note that enclosure 2 mentioned in the cover letter is the cd.

Thu,

I am putting together the Administrative Record for the Red Hill AOC and I need a copy of any updates to the 2008 Groundwater Protection Plan. I know we had some email traffic a couple of months ago about an August 2014 update. Do you have a copy and if so is there a way I can get an electronic version?

Thanks.

Bob
